I let you know that here we have an american turist, about 33 years, that perhaps he is the slayer of Dr. KING, or has some of the kind, he crossed the border -- about the 15th of april, he said that he crossed in Douglas but I dont believe nothing, and I also did not asked him questions, but he wants to live here, he said that has got a pension of the gobernmente of $ 237.00 dollars, and that he was in africa during the 2nd. war, has got a White Bulk car, his wife, a boy about 7 years, and a small baby about 11 months. he also says that during the war he was a Mayor

I have my home here but I have to work in the little town of Guadalupe, and I am going to name you the person that can introduce you to him, his name is --- [redacted] if you are sending some body to take a look at him, that person must talk spanish, and a little dark skined, to pass like a mexican, I have not maked him any questions, because I dont -- want him to go away until you take a look at him.

As soon is is availeble i will give you
